DIRECTIONS TO AUTHORS

1. All manuscripts should be typed double-space, 10-pitch, with 1 inch margins.
2. Each manuscript page should be numbered and contain the primary author's name.
3. A cover page should be sent with each manuscript stating the title and the authors. Also the addresses, college affiliations, and phone numbers of the authors should be included.
4. Manuscripts will be entered into WordPerfect (DEC Rainbow version) and then reviewed. Unless there are major modifications, the editor will not notify the authors.
5. Artwork should be suitable for photocopy (it will be reproduced, as is). We can publish line drawings but not photographs.
6. Authors desiring notification of receipt of the manuscript should include a self-addressed postcard.
7. We would prefer receiving manuscripts on disk. We can handle the following: Apple Computer
   ASCII text file in PRODOS or DOS (Apple)
   Appleworks document
   WordPerfect document
8. Publication dates are January-February for the first issue and April-May for the second issue. Deadlines are December 1 and March 1. If there is sufficient interest an August issue will be published.
9. Send all manuscripts to: AMCBT Midwest Bioscience
   Biology Department
   Wabash College
   Crawfordsville, IN 47933
   ATTN. William N. Doemel
