Please submit all manuscripts directly to the Editor. We prefer receiving two printed copies and one in computer readable form. We work with the following word processors on the following computers: MacWrite and Word on the Macintosh, Appleworks and Applewriter on the Apple IIe/IIC, Word Perfect on IBM PC compatibles, Word Star on a DEC Rainbow, TDP on an HP 3000, and WHIPS Plus on a DEC VAX. If you can submit your manuscript only on another system, please check with us beforehand. We hope to be on BITNET soon so that we can receive manuscripts electronically; however, we currently have no capacity to do this other than by calling your computer directly over a phone modem. Deadlines for 1989: August 28 and November 15.
