Please submit all manuscripts directly to the Editor. We prefer receiving two printed copies and one in computer readable form. We work with the following word processors on the following computers: MacWrite and Word on the Macintosh, Appleworks and Applewriter on the Apple Ile/Iic, Word Perfect on IBM PC compatibles, TDP on an HP 3000, and WHIPS Plus on a DEC VAX. Final copy is prepared in Quark Xpress on a Mac II. If you can submit your manuscript only on another system, please check with us beforehand. We hope to be on BITNET soon so that we can receive manuscripts electronically; however, we currently have no capacity to do this other than by connecting through Applelink where our address is BioQUEST. Please address file to AMBCT. Deadlines for 1990: April 15 and October 27.
