SUSTAINING MEMBERS

The role of the sustaining members of AMCBT is most obvious in the exhibit area at the Annual Meeting. Here all members are offered an opportunity to view the latest in equipment, materials and publications, and to talk with representatives concerning special problems. In addition to the person-to-person relationship, the membership dues of sustaining members is a major item in financing the organization and its activities.

The following firms have already paid dues for 1976-7 and will be exhibiting at the annual sessions. Others are expected to complete arrangements this month.

American Optical Company
E & L Instrument Company
Fisher Scientific Company
Hach Chemical Company
Paxton Processing Company
Sargent-Welch Scientific Company
Turfco/Cambasco,
Macmillan Science Company

OCTOBER MEETING NOTES

Enclosed with this issue of MIDWEST BIOSCENE are materials for the October Meeting. Note that the deadline for pre-registration is Monday, September 27.

ACTIVE MEMBERS BENEFIT MOST

Over sixty members are contributing to the annual program. In addition to the annual program there is another avenue through which members can contribute and share ideas. Beginning of a new school year is an excellent time to consider submission of material for publication in MIDWEST BIOSCENE.

Copy for MIDWEST BIOSCENE should be submitted according to the following schedule: May issue by April 10, September issue by July 10, November issue by October 10, February issue by January 10. In addition to articles, remember that notes regarding positions, requests for information, information which will be shared, letters to the Editor are all desired. Formal articles may concern reviews of special areas, new programs, workable laboratory experiments, teaching techniques, etc. Only you, the contributing member, can make the publication of value to the membership.

A NOTE REGARDING DUES

The Application for Membership included in each issue of MIDWEST BIOSCENE is for use in securing new members. Please do not consider it a dues notice. Dues notices for present members will be in the form of a separate enclosure.

Application for Membership
ASSOCIATION OF MIDWESTERN COLLEGE BIOLOGY TEACHERS

Regular Member ($6.00) Retired Member ($3.00) Dues payable July 1
