Lodging A list of motels in the Monmouth area is included. Make your reservation directly with the motel. Please note that many of the listings are in Galesburg, which is approximately twenty miles from Monmouth.

Parking Robert H. Buchholz, Chairman of local arrangements, reports that all parking is on a first come - first take basis. There is no charge and since no place is very far from Haldeman-Thiessen Science Center, there should be few problems. Parking is available on Seventh Street, by the Gym (#27 on the map) and on Broadway in front of the campus.

Phone contact An emergency phone contact for members at the meeting has been arranged. Call the Monmouth College Biology Office, 309/457-2021.

BRING A COLLEAGUE TO THE ANNUAL MEETING

Application for Membership
ASSOCIATION OF MIDWESTERN COLLEGE BIOLOGY TEACHERS

Regular Member ($6.00) Retired Member ($3.00) New Renewal
Dues payable July 1
